

Low-Fidelity Mock-Up

Welcome Page

Welcome Page screen is displayed when the **User** first accesses the site allowing the user to browse the website and explore the functionalities. From the Welcome page the user can access and navigate to other sub-pages:

- Apply for Teaching
- About Us
- List of instruments
- Available Language
- Hire Instruments
- Search Bar
- Sign up
- Log in

Create Account Page

A hand-drawn wireframe of a 'Create Account Page'. At the top left is a home icon and a Facebook 'f' icon. The title 'Create Account Page' is centered at the top. To the right of the title is a 'CANCEL' button. Below the title is a 'CREATE ACCOUNT' button. Underneath this is a 'FIELDS' label with arrows pointing to two columns of input fields: 'FIRST NAME', 'LAST NAME', 'DOB', and 'GENDER' on the left; 'CONTACT NUM', 'EMAIL', 'PASSWORD', and 'CONFIRM PASSWORD' on the right. A 'Button' label with an arrow points to the 'CREATE ACCOUNT' button. At the bottom center is a 'SUBMIT' button with a 'Button' label and an arrow pointing to it.

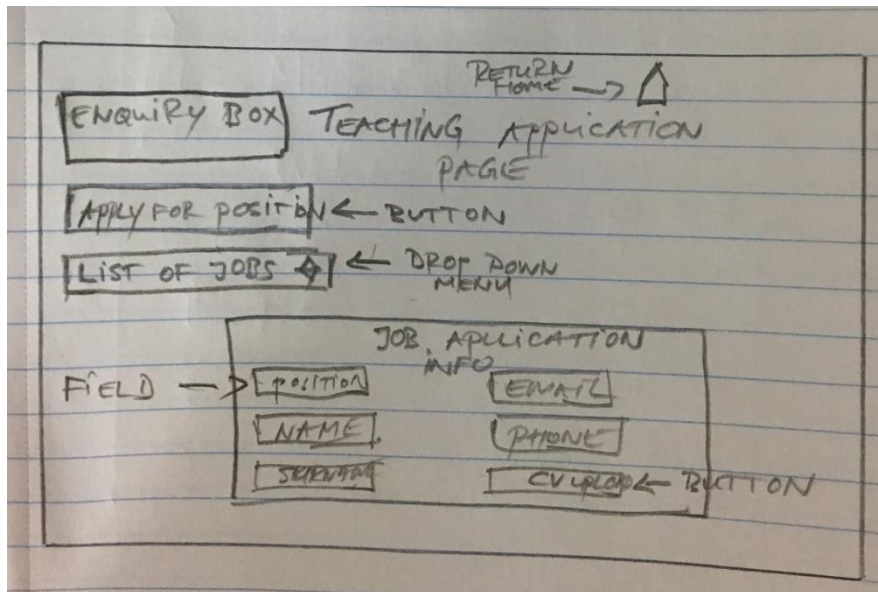

Create account page displays the information fields to which the **User** is prompted to fill in.
An Account is required to access the full functionality of the site.

Unique User Page

A hand-drawn wireframe of a 'Unique User Page'. At the top left is a Facebook 'f' icon with a 'Facebook' label and a left arrow. Next to it is a 'Home' label with a right arrow and a home icon. To the right is a 'LOG OUT' button. Below these are four buttons: 'Book LESSON', 'LESSON DETAILS', 'Contact DETAILS', and 'Customize Profile'. Below 'Contact DETAILS' is an 'UPLOAD PHOTO' button. Below 'Customize Profile' is a 'PREFERENCES' button. The title 'Unique User Page' is centered. Below the title is a 'User Profile' section containing a user icon, a list of fields (USER NAME, FIRST NAME, LAST NAME, DOB, CONTACT NUMBER), a 'CLOSE' button, and a 'DELETE ACCOUNT' button at the bottom. To the right of the 'User Profile' section is a 'PERSONAL DETAILS' label with a left arrow. A 'Buttons' label with an arrow points to the 'UPLOAD PHOTO' button.

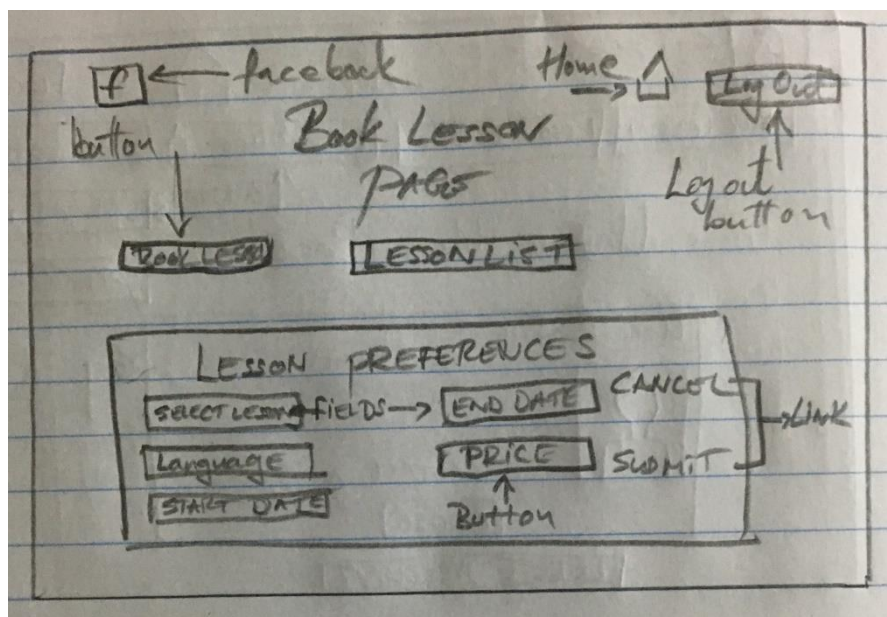

Unique User Page allows the **User** to edit and make changes to an already created profile.

Teaching Application Page

Teaching Application Page allows potential applicants to apply for available teaching position.

Book Lesson Page

Book Lesson Page allows the **User** to book and customize/manage their classes based on their personal preference.
